A MESSAGE FROM THE PRESIDENT

We are still getting snow but there are little signs of spring coming. Last week we trimmed some trees along the fencerows. It was a cold sunny afternoon and sap ran from the trimmed maples! The neighbors are out spreading fertilizer on the fields.

Thanks go to Jay Calame and Tom Scheibe. Both are JD tractor collectors. They are helping me restore an early 1939 JD "H". We have made good progress but have a way to go. It is amazing how much time and labor go into such projects.

Plans are moving forward for Expo VI coming in June at Springfield, OH. Questions are coming in and these are being handled on a one to one basis. Most of the calls to me are from people that will travel a long distance. I feel that is encouraging as the interest is reaching out to new exhibitors.

Each of you can help us by telling friends and neighbors about our show. We expect to have 600 to 800 tractors and implements. If it is John Deere please feel free to bring whatever items you have. The scope of the John Deere "green line" is truly amazing. This is the show to see a great cross section of that "green line". Hope you are making plans to attend and bring some green iron!

Please, pre-register your machines for the EXPO. This speeds up your arrival at the show. Copies of the pre-registration form are in this newsletter and on the club website. We also use this for the machine count.

Thanks, Dave Badger
